

# VBA Go - Getting Started

The Victorian Biodiversity Atlas is going mobile

## How to access VBA Go

For first time users or existing users of the Victorian Biodiversity Atlas (VBA):

You can login to your existing account at the following webpage, or you can create a new account if you are not already registered or login as a guest. To be able to use the VBA Go site you will need to be a registered user.

<https://vba.dse.vic.gov.au/vba/>

The VBA login page should look like the picture below.

A screenshot of a web browser displaying the Victorian Biodiversity Atlas login page. The browser's address bar shows the URL 'https://vba.dse.vic.gov.au/vba/#/'. The page header features the 'Victorian Biodiversity Atlas' logo on the left and the 'VICTORIA State Government' logo on the right, with the text 'Environment, Land, Water and Planning' below it. The main content area is a 'Sign In' form. It includes a 'Forgot password?' link, a 'User Name' input field, a 'Password' input field, a 'Log in' button, a 'Sign up' button, and a 'Log in as a guest' option. There is also an 'or' separator between the 'Log in' and 'Sign up' buttons.

From this login page you can also create a new account by clicking the Sign Up button. If you have any trouble logging in or need a reminder of your login name and password then please don't hesitate to email [vba.help@delwp.vic.gov.au](mailto:vba.help@delwp.vic.gov.au)

Once you have your login details you will be able to use these same details on the login page of the VBA Go.

## Getting started

VBA Go is not an actual app but a website. The website can be accessed from the following webpage:

<https://atlas.biodiversity.vic.gov.au/about>

Open up this link on your iphone or tablet web browser.  
Be sure to bookmark this page or set it as your home page.
