

VBA Go Bingo

Try and spot as many of these things in your backyard or on your local walks

Please remember to take photos of your finds, but don't pick and collect. Upload your finds to VBA Go (www.vbago.science) or iNaturalist (www.inaturalist.org). Have fun!

				
A reptile	A magpie	3 yellow flowers	A leaf with wavy edges	A flower with 'ears'!
				
A plant with lots of flowers	A shell	A spider	A duck	Footprints
				
A leaf with texture	A flower with two or more colours	An animal making a sound	A white flower	Animal scats (poop!)
				
A purple or pink flower	A grass tree	A moth or butterfly	An animal with 4 legs	An egg shell
				
A tree taller than you	A plant you can eat	A plant with many tiny flowers	A leaf smaller than your hand	Fungi
